Dear Children, Parents and Carers,

The Most Holy Trinity

In school, today we have reflected upon one of the mysteries of our Faith. The relationship between God the Father, God the Son and God the Holy Spirit. The Most Holy Trinity is a community of three persons bound together in love. God shows and reveals His love to us through this. Through Jesus, who came to be with us and reveal God's love for us. Jesus revealed the Father to us and promised us the Holy Spirit. The Holy Spirit is with us. It is fire, it is a power, a peaceful and calming force. The Holy Spirit teaches us all that we do not know, the Holy Spirit guides us from within, giving us inspiration and the power to bring about change.

Today we have reminded ourselves of the significance of making the sign of the cross, something we do many times daily in prayer and reflection. This is a reminder of the Most Holy Trinity. We pray that our actions and our daily offerings may always be in the name of the Father, the Son and the Holy Spirit.

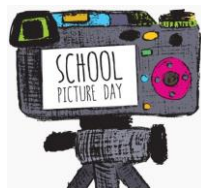

"Where love exists there is God."

John 16: 12-15

School Messages and Communication

We would like to inform all parents/carers that we send all our messages, emails and communication via our school app, School Gateway. We know that the vast majority of parents/carers are signed up to the app or at least one parent per family is, but we ask that you ensure you are signed up as we will no longer be sending text messages. We will only be sending messages via the School Gateway app and so it is extremely important that you are signed up to make sure you receive all our methods of communication.

Thank you for your continued support.

Parking and Driving Safety

A polite reminder to all parents and visitors about the utmost importance of driving and parking safely on St Margaret's Road.

In the space of two weeks, two of our outdoor parking signs have been hit by cars, with one being flattened and broken. This is of obvious concern as such driving and parking is a real danger to our children and other visitors to the school.

Please drive safely and considerately with an awareness of others.

Refugee Week

This week has seen a whole school focus on the plight of refugees across the world. The theme this year is "Community as a Superpower."

Communities bring people together, bridging divides and providing support. Communities have the power to shape futures. May we always be sensitive and compassionate to the circumstances of all refugees.
