School Health Service Screening Programme

Dear Parent/Guardian

Your child was due to have their vision and hearing screen in school earlier this year. Unfortunately, due to the COVID-19 pandemic and school closures we were unable to offer your child this service.

If you have any concerns regarding your child's hearing, please contact us on 0161 209 9972 and we can arrange a hearing screen in school. Alternatively, you can contact your GP.

If you have any concerns regarding your child's eyesight, we would recommend that you arrange a free eye test at a local high street optician.

Yours sincerely

Julie Bowden
